

Newly launched

ORGANIC TAMARI

Certified Gluten-Free Soy Sauce
with full bodied flavor of Umami from whole soybeans

From Japan

✓ Made in Japan

Authentically produced by soy sauce manufacturer with more than a 240-year history.

✓ 9 months of aging period at natural temperature

Delicately and slowly matured for 9 months for the distinctive rich aroma and mild taste without added yeasts or enzymes or controlled temperature to haste fermenting process.

✓ Carefully selected ingredients

Organic Whole Soybeans best suited for Tamari responsibly sourced by MUSO.

✓ Well balanced taste

Our Organic Tamari's taste can be best described as well-balanced compared to other organic tamaris in the market. It is perfect for household use to professional use or as an ingredient of organic and gluten free products.

✓ Available in various packaging

To be friendly to any type of business, it is available in various packaging from retail bottles to 1000L. (200ml / 300ml / 20Ltr BIB / 200Ltr Plastic Drum / 1000Ltr IBC)
